## Accreditation Program

Each Regional Park is operated by a volunteer board. This board forms an "Authority" and enacts the bylaws and policies needed to operate their particular park. This also means that they are entirely responsible for every operational aspect of the park's health, safety, cleanliness and maintenance. As a group, Regional Park Authorities have established a minimum standard for facilities and maintenance in each regional park. The Park Authorities are committed to ensuring that their park meets these standards.

When a Regional Park has provided the requested documentation and met the required standards to display the Accreditation Symbol, that Regional Park Authority is stating that they are meeting or exceeding the requirements of the Association, Health Region and are complying with all other regulatory bodies' rules and regulations. This symbol means that the park will have, at the very least, the basic camping facilities available at their park for their patrons and that those facilities will be maintained to an acceptable standard with your safety and comfort in mind.

Seasonal Pass to  
all Regional Parks  
Only \$60

## Designation Categories

To assist you while choosing a park to fit you and your family's needs, we have assigned a designation category to each park. There are five different categories listed with their descriptions to give you a better idea of how each park may fit your needs, based on their services and amenities.

- 1. FAMILY RECREATION**  
offer a well-rounded family experience. Amenities or locations will vary, but the choice remains with the patron on the level of the activities and the location.
- 2. UNIQUE NATURAL SETTING**  
usually small parks with low density camping and are located in areas that offer a look at nature for patrons looking for that experience.
- 3. GOLF WITH CAMPING**  
these parks are predominately golf course orientated, but have a campground facility.
- 4. TRAVELER**  
are mainly located on a well travelled highway system in a smaller municipal setting. These parks generally have open campsites during the week that would fit perfectly with the travelers.
- 5. LOCAL RECREATION**  
tend to be used only by the local people for certain types of recreation, family gatherings, ball tournaments and group activities.

# What is a Regional Park?

The Regional Park system is unique to Saskatchewan. These parks were developed by the volunteers surrounding the park's location.

Today, there are nearly 100 regional parks across the province – some next to a village or town, some in the furthest reaches of rural areas and many are located in the forested areas waiting for you to choose your summer home.

Each regional park is a different size and offers differing choices of activities for you and your family. Amenities include camping, swimming, boating, fishing, sports grounds, golf courses, all levels of food services and a whole lot more. Choose your regional park with what you need to make your stay enjoyable.

One regional park is open year round offering a ski hill for the winter months and camping and fishing in the summer.

## How are Regional Parks Funded and Supported?

- Some receive a bit of funding assistance from their nearby towns, village and rural municipalities
- Some receive donations in order to complete special projects like new playgrounds
- Some qualify for grants offered for the construction of capital projects
- Most of their funding is raised when you come to visit!! The Regional Park Season Pass gains you entry into all of the regional parks and the funds from the sale of these passes stay right at the regional park where they were purchased. Your visit and the dollars that you spend at these parks keep them operating for everyone to enjoy for years to come.

For more information go to [www.saskregionalparks.ca](http://www.saskregionalparks.ca) or phone us at 306.975.0857.

*Thomson*  
**LAKE REGIONAL PARK**

## A hidden gem

Thomson Lake Regional Park was the first regional park established in Saskatchewan back in 1961. With its 200 acres of treed parkland, the park offers:

- visitors camping
- a group camping area
- an off leash dog park
- heated outdoor swimming pool
- mini golf course
- two playgrounds
- excellent fishing and much more!

Onsite concession serves great food and amazing ice cream. Also located in the park, a nine-hole golf course with grass greens, watered fairways, driving range and a full-menu, licensed clubhouse restaurant.

# Things to See and Do Near the Regional Parks

## Manitou & District Regional Park

The 5th Annual Salt Shaker Festival is coming July 12th and 14th to Manitou Beach. Featuring live music at a variety of venues in the height of summer! Tickets will go on sale in April 2024. Block off the 2nd weekend in July in your calendar and join us for a shake'n'bakin salty good time celebrating some of the best live music on the prairies in the most beautiful beach town from here to Tofino!

*(information and poster courtesy of The Salt Shaker)*

The Drive In at Manitou Beach, one of only five drive-in theatres left in Saskatchewan, provides the opportunity to watch a movie outdoor under a prairie night sky. Along with outdoor viewing, the Manitou Beach theatre also offers a 24-seat indoor theatre facility. Open weekends beginning in June and Thursday to Sunday in July and August.

*(information and description from tourismssaskatchewan.com)*

## Bengough & District Regional Park

Situated in the Big Muddy Badlands, Castle Butte is a free standing structure with a circumference of 0.5 km and an elevation of 60 m. A relic from the ice age, it was a landmark to the Indigenous people, the North West Mounted Police (NWMP) and early Canadian settlers. Composition is sandstone and clay-based with alkali and coal deposits.

*(information and description from tourismssaskatchewan.com)*

## Dunnet Regional Park

Avonlea Badlands – Head to the Avonlea Heritage Museum and experience the Badlands of Avonlea. This guided tour will teach you about the natural history of the area, recent fossil discoveries, and the animals and plants around you. Not to mention the exquisite scenery! More information can be found on their website at avonleamuseum.ca.

*(information and description from tourismssaskatchewan.com)*

## Big River Regional Park

Ness Creek Recreational Site – The Ness Creek Site is a year-round cultural and recreational destination in Saskatchewan's boreal forest. It is home to a variety of cultural, educational and artistic activities including four independent music festivals, a biennial international artist collaboration, a winter festival and ski loppet, two music camps, art camps as well as host to numerous land-based learning activities. There are over 20 kms of all-season trails and cabins, offering visitors to the area opportunities for hiking, biking and cross-country skiing. It is also available for private rentals including weddings, reunions and retreats.

*(description and photo from nesscreekmusicfestival.com)*

## Woodlawn Regional Park

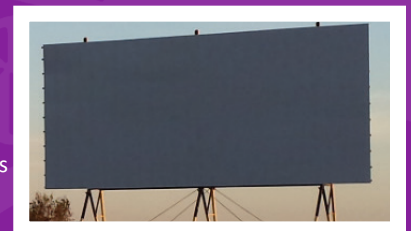

La Roche Percee Provincial Historic Site – Located 20 kms east of Estevan along Highway 39, the La Roche Percee Provincial Historic Site features unusual rock formations eroded by wind and water. Once covered with symbolic animal carvings by Indigenous peoples and later autographs of early European explorers, US Cavalymen, North West Mounted Police (NWMP) and surveyors. The Short Creek Cairn commemorates the Short Creek Camp of the NWMP during the westward march of 1874.

*(information and description from tourismssaskatchewan.com)*

## Clearwater Lake Regional Park

Clearwater Drive-in has been in operation since 1957, providing entertainment to movie-goers for over 50 years. Complete with a children's play structure and snack booth, the Clearwater Drive-in provides family entertainment with friendly service and reasonable prices. Located 2 miles north and 1/2 mile east of Kyle, 1-306-375-2640. www.clearwaterdrivein.com

*(photo from facebook.com/clearwaterdrivein)*

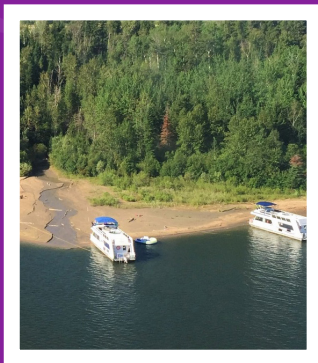

# Things to See and Do Near the Regional Parks

## **Martins Lake Regional Park**

Take a tour of the only known surviving Doukhobor Dugout House in Canada. Built by Russian Doukhobor immigrants in 1899, it has been designated a National Historic Site of Canada. Learn about the struggle and survival of the Doukhobors who settled in the area, watch historical re-enactments, and enjoy fresh-baked Doukhobor bread and jam. Please see website for operating days and procedures for 2021. ([doukhobordugouthouse.com](http://doukhobordugouthouse.com))  
*(information from [tourismsaskatchewan.com](http://tourismsaskatchewan.com))*

## **Nipawin & District Regional Park**

A variety of houseboats are available for daily or weekly rental at Nipawin & District Regional Park. Every houseboat is equipped with washroom, showers, bar-b-q's, lawn chairs, a furnace, and cooking utensils & dishes. Take a weekend or whole week and relax on the lake; let the world drift by or follow the flow. For more information, visit [www.aurorahouseboats.com](http://www.aurorahouseboats.com) or call

Phone/Fax: (306) 862-7014  
*(information and photo from [tourismsaskatchewan.com](http://tourismsaskatchewan.com))*

## **Ogema Regional Park**

Ogema is home to Saskatchewan's only full service tourist train operation, Southern Prairie Railway. Southern Prairie Railway kicked off in 2012 after the many volunteer hours to purchase and fully restore the 44 ton diesel engine, the 75-person passenger car as well as the baggage car and caboose. Tours run from May to October every Saturday and Sunday. The Heritage tours are about 1.5 hours, and Specialty tours vary in length. Specialty trains include: Horseback Train Robbery, Pitchfork Fondue, Stargazer, and the very popular All Day trip to end the season. Access to the Deep South Pioneer Museum is included in every ticket, a must see for visitors to the area. Charters are also available upon request. For more information, and to purchase tickets online please visit [www.southernprairierailway.com](http://www.southernprairierailway.com).  
*(information from [tourismsaskatchewan.com](http://tourismsaskatchewan.com))*

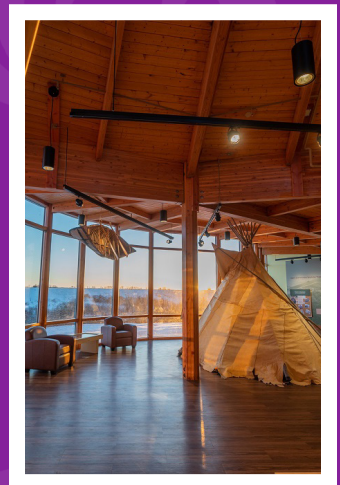

## **Valley Rosthern Regional Park**

Wanuskewin is a National Historic Site, and Proposed UNESCO World Heritage Site. This land has been a gathering place for all Nations of the Northern Plains to meet for trade, for hunting and for ceremony. This tradition continues today as Wanuskewin has been a global gathering place for the past thirty years, welcoming guests from all corners of the world.

Wanuskewin's total site renovation is now complete with an expansion of the Interpretive Centre, gallery spaces, and meeting rooms. The park now offers a refreshed restaurant, an incredible playground, hiking trails and robust interpretive programming, including guided hikes and traditional dance performances.

Situated just 5 km north of Saskatoon, Wanuskewin is a unique site that interprets over 6,000 years of Northern Plains Indigenous Culture. On site are 19 pre-contact sites, a medicine wheel, tipi rings and buffalo jumps, located along the walking trails. The incredible archeological record is the reason why this is the site of the longest running archeological dig in Canadian history.

The site is now home to a herd of Plains Bison, descendants from the last 1,000 bison that remained on the Great Plains by the year 1870. Follow the trail from the paddocks and take in these majestic animals from the raised viewing platform.  
*(information and photo from [tourismsaskatchewan.com](http://tourismsaskatchewan.com))*

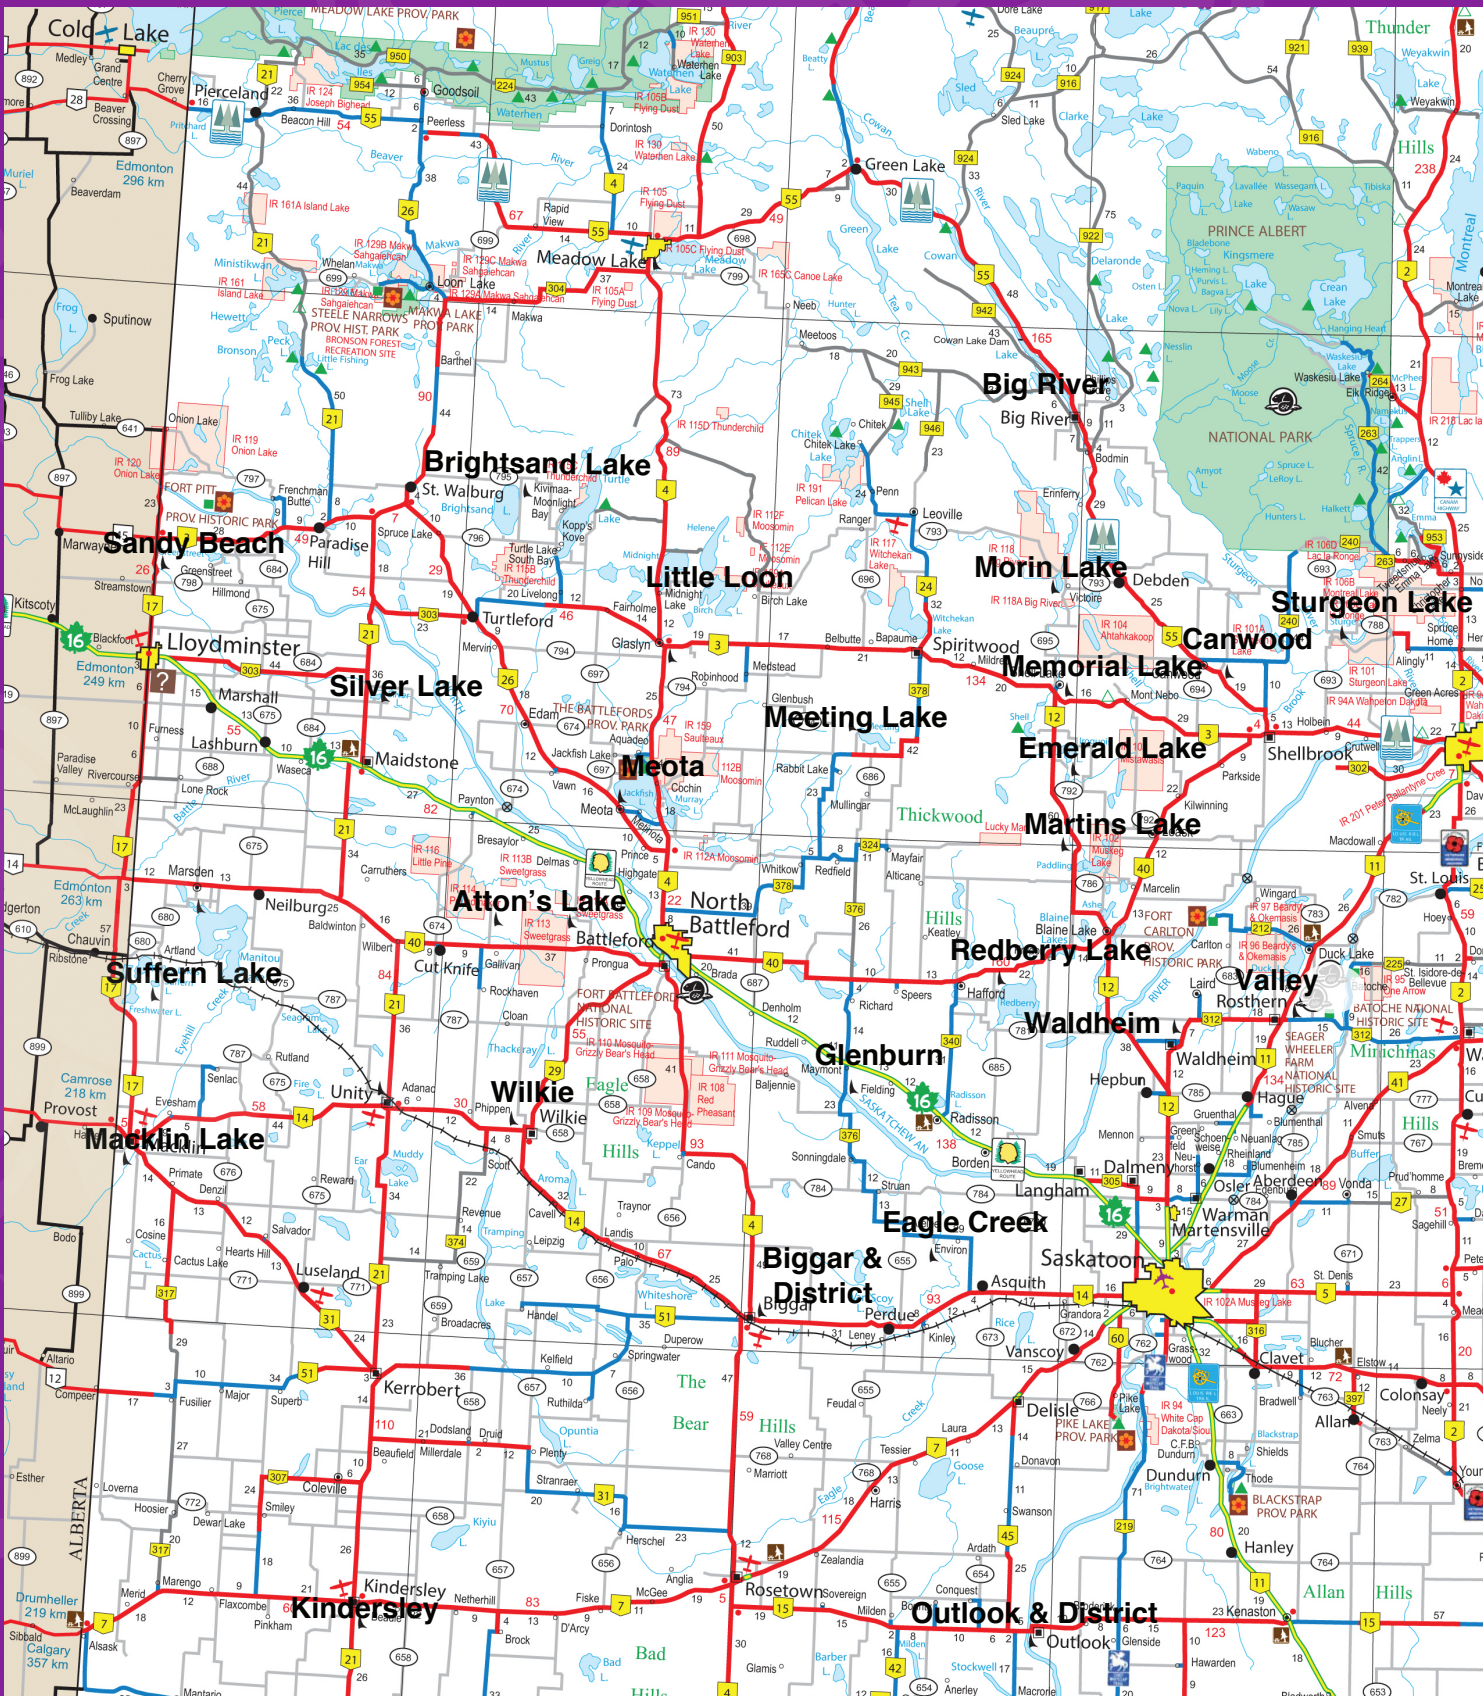

## **Wood Mountain Regional Park**

Southeast of Wood Mountain Regional Park, in Rockglen, you will find the Lakota Art Studio & Gallery. The gallery features works of paintings, jewellery, cards, and much more by Lakota Nation artist Kim Soo Goodtrack. The Gallery also features works by Indigenous artists such as Allan Sapp and Lawrence Paul Yuxweluptun.
