Accreditation Program

Each Regional Park is operated by a volunteer board. This board forms an "Authority" and enacts the bylaws and policies needed to operate their particular park. This also means that they are entirely responsible for every operational aspect of the park's health, safety, cleanliness and maintenance. As a group, Regional Park Authorities have established a minimum standard for facilities and maintenance in each regional park. The Park Authorities are committed to ensuring that their park meets these standards.

When a Regional Park has provided the requested documentation and met the required standards to display the Accreditation Symbol, that Regional Park Authority is stating that they are meeting or exceeding the requirements of the Association, Health Region and are complying with all other regulatory bodies' rules and regulations. This symbol means that the park will have, at the very least, the basic camping facilities available at their park for their patrons and that those facilities will be maintained to an acceptable standard with your safety and comfort in mind.

**Seasonal Pass to
all Regional Parks
Only \$60**

Designation Categories

To assist you while choosing a park to fit you and your family's needs, we have assigned a designation category to each park. There are five different categories listed with their descriptions to give you a better idea of how each park may fit your needs, based on their services and amenities.

- 1. FAMILY RECREATION**
offer a well-rounded family experience. Amenities or locations will vary, but the choice remains with the patron on the level of the activities and the location.
- 2. UNIQUE NATURAL SETTING**
usually small parks with low density camping and are located in areas that offer a look at nature for patrons looking for that experience.
- 3. GOLF WITH CAMPING**
these parks are predominately golf course orientated, but have a campground facility.
- 4. TRAVELLER**
are mainly located on a well travelled highway system in a smaller municipal setting. These parks generally have open campsites during the week that would fit perfectly with the travellers.
- 5. LOCAL RECREATION**
tend to be used only by the local people for certain types of recreation, family gatherings, ball tournaments and group activities.

What is a Regional Park?

The Regional Park system is unique to Saskatchewan. These parks were developed by the volunteers surrounding the park's location.

Today, there are nearly 100 regional parks across the province – some next to a village or town, some in the furthest reaches of rural areas and many are located in the forested areas waiting for you to choose your summer home.

Each regional park is a different size and offers differing choices of activities for you and your family. Amenities include camping, swimming, boating, fishing, sports grounds, golf courses, all levels of food services and a whole lot more. Choose your regional park with what you need to make your stay enjoyable.

One regional park is open year round offering a ski hill for the winter months and camping and fishing in the summer.

How are Regional Parks Funded and Supported?

- Some receive a bit of funding assistance from their nearby towns, village and rural municipalities
- Some receive donations in order to complete special projects like new playgrounds
- Some qualify for grants offered for the construction of capital projects
- Most of their funding is raised when you come to visit!! The Regional Park Season Pass gains you entry into all of the regional parks and the funds from the sale of these passes stay right at the regional park where they were purchased. Your visit and the dollars that you spend at these parks keep them operating for everyone to enjoy for years to come.

For more information go to www.saskregionalparks.ca or phone us at 306.975.0857.

Thank You to our Program Partners!

A hidden gem

Thomson Lake Regional Park was the first regional park established in Saskatchewan back in 1961. With its 200 acres of treed parkland, the park offers:

- visitors camping
- a group camping area
- an off leash dog park
- heated outdoor swimming pool
- mini golf course
- two playgrounds
- excellent fishing **and much more!**

Onsite concession serves great food and amazing ice cream. Also located in the park, a nine-hole golf course with grass greens, watered fairways, driving range and a full-menu, licensed clubhouse restaurant.

Things to See and Do Near the Regional Parks

Manitou & District Regional Park

Salty Cinema Drive-In Theater

Salty Cinema Drive-In Theater, one of only five drive-in theatres left in Saskatchewan, provides the opportunity to watch a movie outdoor under a prairie night sky. Along with outdoor viewing, the Manitou Beach theatre also offers a 24-seat indoor theatre facility. Open weekends beginning in June and Thursday to Sunday in July and August. The theatre also hosts the Flea Market 8 a.m. - 2 p.m. on Sundays.

(information and description from tourismsaskatchewan.com)

Bengough & District Regional Park

Castle Butte

Situated in the Big Muddy Badlands, Castle Butte is a free standing structure with a circumference of 0.5 km and an elevation of 60 m. A relic from the ice age, it was a landmark to the Indigenous people, the North West Mounted Police (NWMP) and early Canadian settlers. Composition is sandstone and clay-based with alkali and coal deposits.

(information and description from tourismsaskatchewan.com)

Dunnet Regional Park

Avonlea Badlands

Housed in a 1912 CN train station, the Avonlea Heritage Museum features a variety of themed-rooms that depict an old-time Main Street. Additional buildings include CN Cook Car, St. David's Anglican Church and the Pioneer Display Building. Be sure to take in the museum's Market Day and Barbecue. Check out the large murals of historic scenes by local artist, Paul Geraghty.

Come discover the Avonlea Badlands! This natural wonder is on private property and can only be accessed during a pre-booked guided tour hosted by museum staff. Your guide will meet you at the museum just before your tour time. There are no self-guided tours. Contact the museum to check availability and book your tour.

Big River Regional Park

Ness Creek Recreational Site

The Ness Creek Site is a four-season destination and event facility in the boreal forest which hosts events ranging from the well-known Ness Creek Music Festival, the Northern Lights Bluegrass and Old-Tyme Music Camp and Festival, and the biennial EMMA International Artist Collaborative to weddings, group retreats, and family getaways. It is also a destination for ecotourism and outdoor education field trips for students from across the province. The Ness Creek Site is minutes away from the picturesque Nesslin Lake Campground and the resort town of Big River.

Woodlawn Regional Park

La Roche Percee Provincial Historic Site

Located 20 kms east of Estevan along Highway 39, the La Roche Percee Provincial Historic Site features unusual rock formations eroded by wind and water. Once covered with symbolic animal carvings by Indigenous peoples and later autographs of early European explorers, US Cavalrymen, North West Mounted Police (NWMP) and surveyors. The Short Creek Cairn commemorates the Short Creek Camp of the NWMP during the westward march of 1874.

Clearwater Lake Regional Park

Clearwater Drive-In Theater

Clearwater Drive-in has been in operation since 1957, providing entertainment to movie-goers for over 50 years. Complete with a children's play structure and snack booth, the Clearwater Drive-in provides family entertainment with friendly service and reasonable prices. Located 2 miles north and 1/2 mile east of Kyle, 1-306-375-2640. www.clearwaterdrivein.com

Things to See and Do Near the Regional Parks

Martins Lake Regional Park

Doukhobor Dugout House

Experience the grit of Doukhobor pioneers who fled their homeland and settled in Saskatchewan at the Doukhobor Dugout House. This dugout house, built by Russian Doukhobor immigrants in 1899, is the only known surviving example of this form of temporary shelter in Canada. A ceremony officially designating Doukhobor Dugout House as a National Historic Site of Canada was held in July 2013. The Government of Canada made the designation on the recommendation of the Historic Sites and Monuments Board of Canada (HSMBC). A commemorative plaque highlighting the importance of the dugout house in Canada was unveiled.

Nipawin & District Regional Park

Aurora Houseboats

Miles of boreal shoreline and sheltered coves to explore by day, and magical nights beneath a blanket of stars so bright you could scoop them up in your hand. And if you're lucky, be dazzled by the aurora borealis, our namesake. Whether your pleasure is exploring, lounging, world-class fishing, sightseeing, a family celebration, working holiday, or all the above, come aboard an Aurora Houseboat for fun and adventure!

Aurora Houseboats has been serving tourists for more than twenty years and maintains a fleet of fine crafts sized to match your particular needs. You be the skipper, or let us be your guide. Just tell us how we can make your floating holiday special and we will tailor your package so it is just right for you. Then, relax—and leave your cares on the dock!

For more information, visit www.aurorahouseboats.com or call Phone/ Fax: (306) 862-7014

Ogema Regional Park

Southern Prairie Railway

Ogema is home to Saskatchewan's only full service tourist train operation, Southern Prairie Railway. Southern Prairie Railway kicked off in 2012 after the many volunteer hours to purchase and fully restore the 44 ton diesel engine, the 75-person passenger car as well as the baggage car and caboose. Tours run from May to October every Saturday and Sunday. The Heritage tours are about 1.5 hours, and Specialty tours vary in length. Specialty trains include: Horseback Train Robbery, Pitchfork Fondue, Stargazer, and the very popular All Day trip to end the season. Access to the Deep South Pioneer Museum is included in every ticket, a must see for visitors to the area. Charters are also available upon request. For more information, and to purchase tickets online please visit www.southernprairierailway.com.

Valley Rosthern Regional Park

Wanuskewin Heritage Park

Wanuskewin Heritage Park sits above the opimihāw Creek and the South Saskatchewan River near Saskatoon — a window into a part of Canada's history that remains largely undiscovered, and a link to our past unlike any other National Historic Site in Canada. Wanuskewin's uniqueness is not just the fact that there exists evidence of ancient peoples, but rather the composition of many different aspects of habitation, hunting and gathering, and spirituality — all in one place.

Over six thousand years ago, Wanuskewin echoed with the thundering hooves of bison and the voices of Indigenous peoples from across the Northern Plains; the land still echoes with these stories that Wanuskewin is proud to share today.

Wanuskewin, the nēhiyawēwin (Plains Cree) word roughly translated as 'seeking peace of mind' has been a sacred site and gathering place for more than 6,400 years.

Wanuskewin is one of Canada's proposed UNESCO World Heritage Sites. *(information and photo from wanuskewin.com)*

Wood Mountain Regional Park

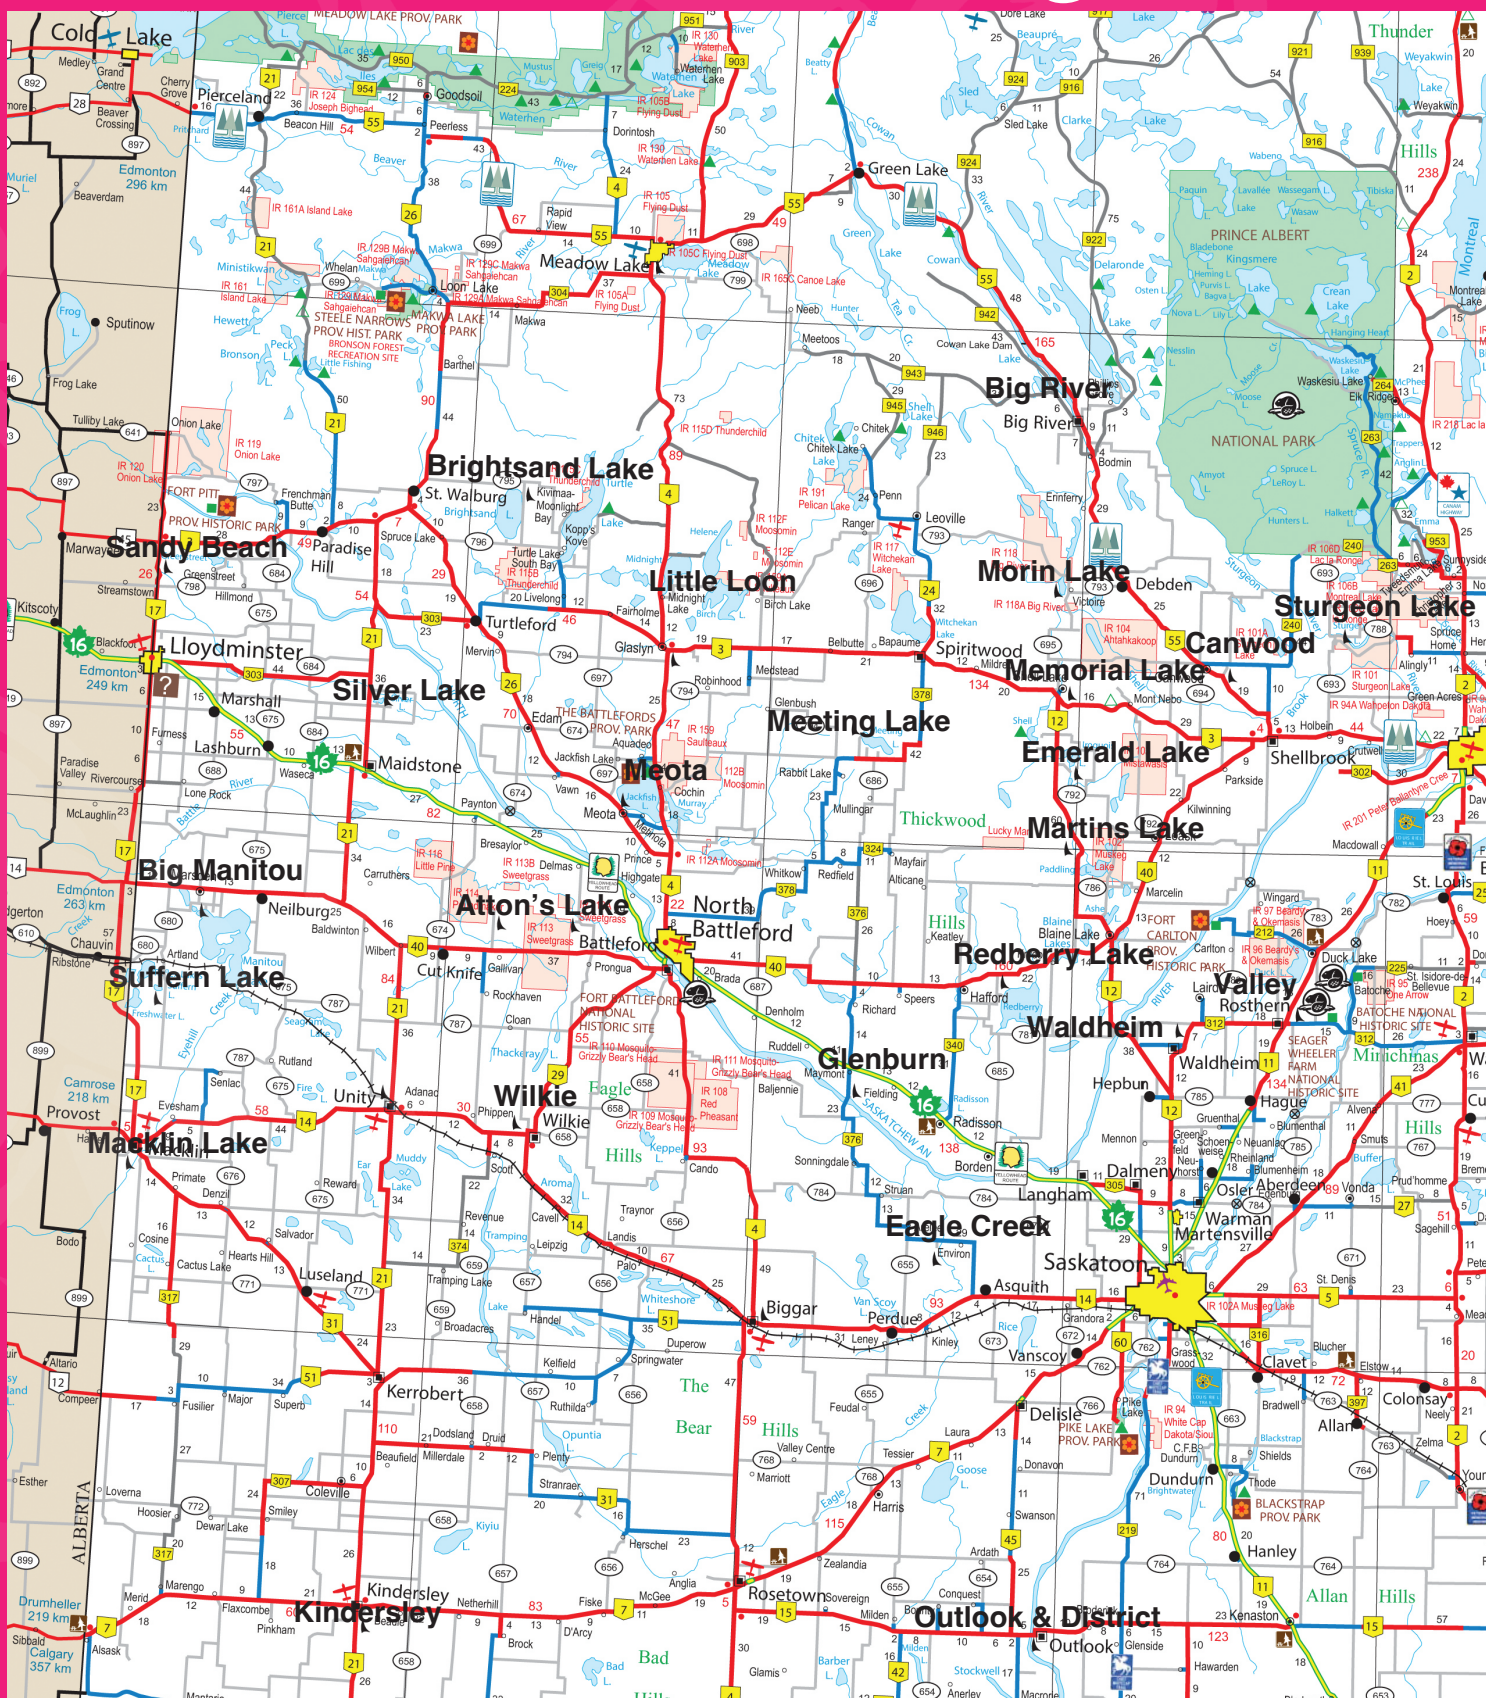

Lakota Art Studio & Gallery

Southeast of Wood Mountain Regional Park, in Rockglen, you will find the Lakota Art Studio & Gallery. The gallery features works of paintings, jewellery, cards, and much more by Lakota Nation artist Kim Soo Goodtrack. The Gallery also features works by Indigenous artists such as Allan Sapp and Lawrence Paul Yuxweluptun.
